6.2 Proceedings at general meetings

- (a) A quorum at a general meeting of the Company is constituted by at least one-third of Members entitled to vote, present in person or by proxy, attorney or Representative, provided there are at least:

 - (B) 2 Community Ordinary Members;
 - (C) the Preferred Foundation Ordinary Member; and
 - (D) 2 Foundation Ordinary Members,

present in person or by proxy, attorney or representative.
- (b) No business shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. However, notwithstanding article 6.2(a), the presence of the Preferred Foundation Ordinary Member is not required to constitute a quorum at a general meeting where the Preferred Foundation Ordinary Member has given notice (in any form and with no time restrictions) to the Company that the meeting may proceed without his or her presence, either:
 - (i) having made such decision after having regard to the matters and resolutions set out in the notice of meeting; or
 - (ii) because he or she is unable to attend the meeting due to an unforeseen circumstance or emergency, including but not limited to illness, travel disruption or other commitments.

- (c) If a quorum is not present within 30 minutes after the time appointed for a meeting or such longer period as the chairperson of the meeting allows, the meeting:

 - (i) the Deputy Chair;
 - (ii) another member of the Board of Governors present;
 - (iii) a Member present in person chosen by a majority of the Members present in person or by proxy, attorney or representative.
- (b) In the case of an equality of votes, the chairperson of the meeting does not have a casting vote, either on a show of hands or on a poll, and the motion is deemed not to have been passed.
- (c) Every question submitted to a meeting shall, subject to the provisions of article 6.6, be decided by a show of hands unless, before or upon the declaration of the result of the show of hands, a poll is demanded by:
 - (i) the chairperson of the meeting; or
 - (ii) not less than 3 Members present in person or by proxy, attorney or representative and having the right to vote at the meeting.
- (d) Unless a poll is demanded, a declaration by the chairperson of the meeting that the resolution has been carried or carried unanimously or without dissent or by a particular majority or lost, and an entry to that effect in the minutes of the meeting, is conclusive evidence of the result of the resolution and it is not necessary to prove the number or proportion of votes cast in favour of or against the resolution.

- (e) Where a poll is duly demanded, it shall be taken in such manner and at the time and place the chairperson of the meeting directs.
- (f) The result of the poll is deemed to be the resolution of the meeting at which the poll was demanded.
- (g) A poll cannot be demanded on the election of a chairperson of a meeting or on the adjournment of a meeting.
- (h) A demand for a poll does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
- (i) The demand for a poll may be withdrawn.

6.4 Adjournment of general meetings

- (a) Without limiting article 6.3(c)(ii), the chairperson of a meeting may, with the consent of the meeting, adjourn the meeting from time to time and place to place, but the only business that may be transacted at an adjourned meeting is the business left unfinished at the meeting from which the adjournment took place.
- (b) Where a meeting is adjourned for more than 1 month, the Governors must give at least 3 Business Days' notice of the adjourned meeting in the same manner as for an original meeting. Otherwise, it is not necessary to give notice of any adjournment or of the business to be transacted at an adjourned meeting.

6.5 Virtual Meetings

- (a) A meeting may be held by means of such telephone, electronic or other communications facilities as permit all persons entitled to attend the meeting a reasonably opportunity to participate without being physically present in the same place and to participate in the vote in real time (“**Virtual Meeting**”). In these circumstances:
 - (i) participation in the Virtual Meeting via technology shall constitute presence in person at such meeting for all purposes (including for the purposes of establishing quorum under article 6.2); and
 - (ii) subject to the provisions of this article 6.5, all the provisions in this Constitution relating to a meeting apply, so far as they can and with such changes as are necessary, to a Virtual Meeting.
- (b) If the meeting is to be held as a Virtual Meeting
 - (i) , the notice of meeting must set out sufficient information to allow the Members to participate in the meeting by means of the technology to be used to hold that meeting;
 - (ii) the place for the meeting is taken to be the address of the registered office of the Company; and
 - (iii) the time for the meeting is taken to be the time at the place for the meeting.

- (c) If the technology used in holding the Virtual Meeting encounters a technical difficulty, whether before or during the meeting, which results in a Member not being able to participate in the meeting, subject to the Corporations Act, the Chair may allow the meeting to continue or may adjourn the meeting either for such reasonable period as may be required to fix the technology or to such other time and location as the Chair considers appropriate.
- (d) For the purposes of this article 6.5:
 - (i) reasonable opportunity to participate includes a reasonable opportunity to exercise a right to speak;
 - (ii) a person may elect to exercise a right to speak (including a right to ask questions) orally rather than in writing rather than orally;
 - (iii) if a document is required or permitted to be tabled at the meeting, the document is taken to have been tabled at the meeting if the document is:
 - (A) given to the persons entitled to attend the meeting (whether physically or using virtual meeting technology) before the meeting; or
 - (B) made accessible to the persons attending the meeting (whether physically or using virtual meeting technology) during the meeting.

6.6 Meeting rules determined by the Governors
