- 1.1.4 You must complete and lodge an application for enrolment before the last day to enrol as specified, unless you have been granted permission by the College to submit a late application for enrolment.
- 1.1.5 You must pay the enrolment fee in entirety once your application is confirmed.
- 1.1.6 You are deemed to be enrolled in the Capstone Assessment intake nominated on your current application for enrolment form, subject to any variations the College may later approve.

1.2 Withdrawal, Refund and Transfer

- 1.2.1 Candidates should choose their intake carefully and keep a note of the last day to withdraw from the intake without a penalty.
- 1.2.2 In order to withdraw from the Capstone Assessment, candidates must submit their application to withdraw request in writing to the Client Services Manager.

- 1.2.7 Candidates can apply to transfer to another intake until the last day to withdraw without penalty. After this date no transfers are possible except for special consideration circumstances.

Assessment Requirements, Assessment and Administration

2. Assessment requirements

2.1 Assessment structure

2.1.1 Migration Agents Capstone Assessment consists of two compulsory components: written assessment component and oral assessment component.

2.1.2 To pass the Capstone Assessment, you must achieve the following:

- 65% or more for long answer formatted questions of the written assessment component; and
- 65% or more in the written assessment component overall; and
- 65% or more in the oral assessment component overall.

2.1.3 Detailed information regarding the dates and process of the assessment is available as part of the intake guide and on the Learning Portal (once enrolled).

2.2 Extensions policy

No extensions are provided for completion of any part of the assessment (oral and written assessment components). In the event of circumstances outside of candidate's control, candidates are advised to apply for special consideration to the Program Director as outlined under paragraph 3.9 of this Program Manual.

2.3 Assumed knowledge

When a candidate enrolls in the Migration Agents Capstone Assessment, it is assumed that they are competent in spoken and written English and they possess a minimum level of knowledge that is taught in the Graduate Diploma in (Australian) Migration Law and Practice. If you do not have these skills and/or knowledge, it is suggested that you defer completion of the Capstone Assessment until these skills and knowledge are achieved.

3. Assessment policies and procedures

3.1 Identification at assessments

You must supply photo identification (i.e. passport photo page, driver's license or proof of age card) at the time of your enrolment. At the oral assessment you will be asked to hold up your ID to the camera. The assessor will take a screenshot of your face and your ID that is visible and readable. This ID will then be cross-checked with the photo identification document(s) that you provided at the time of enrolment.

If you do not provide acceptable identification during your oral assessment, you will be excluded from this assessment component. In the event that the assessor is unable to verify your identity, the oral assessment cannot continue. You will be required to have your identity verified in person at one of the campuses and you will be transferred into the next intake that fits with your schedule.

3.2 Moderation of the results

All assessment components of the Migration Agents Capstone Assessment will go through internal and external moderation processes prior to the results being released. In the event that there is a discrepancy in marks achieved in the written and oral assessment components, the assessor will contact these candidates to go through their submissions. By submitting work for the Capstone Assessment, you are warranting to the College that the work is your own. All sources and quotations should be properly acknowledged and referenced to avoid the implication that you may be presenting the work of others as your own. There are potentially very serious consequences for candidates found to have engaged in unsatisfactory academic conduct or academic misconduct, including exclusion from the Capstone Assessment and, in appropriate circumstances, reference to the OMARA.

3.3 Absence from an assessment

If through circumstances beyond your control you are unable to attend an assessment on the scheduled date you must:

- notify the Program Director in writing, no later than one working day after the date of your assessment, and
- submit a medical certificate and/or other relevant evidence.

The Program Director may make any special arrangements as the Program Director thinks fit under special consideration policy outlined under paragraph 3.9 of this Program Manual.

3.4 Illness or misadventure during an assessment

If you attempt an assessment component but claim that your performance was prejudiced by circumstances beyond your control on the day of the assessment, you must:

- notify the Program Director in writing, no later than one working day after the date of the assessment, and
- submit a medical certificate and/or other relevant evidence.

The Program Director will not alter the result of the assessment but may permit you to attempt another equivalent assessment in a later intake on such conditions as the Program Director thinks fit.

3.5 Disability and disadvantage

If you require special assistance because you suffer from a disability or disadvantage (not including lack of skills in reading and/or writing English) which might cause you difficulties in assessments you must apply in writing to the Program Director at least 14 days before the assessment. You should include a medical certificate and/or other relevant evidence in your application.

The Program Director may make such special arrangements, facilities available or allow additional time for the assessment as he/she thinks fit. Alternatively, the Program Director may reject your

application in which case you may apply to the Assessment Review Committee for a review of the Program Director's decision.

3.6 Medical certificates

All medical certificates must specify the severity and duration of the complaint and its effect on your ability to undertake the assessment. The College will not accept a receipt for medical or hospital fees instead of a medical certificate.

3.7 Assessed work, re-marking and notification of results

Where possible you will be provided with constructive comments regarding your assessed work via the Learning Portal. Procedures are in place to ensure that marking is carried out fairly and consistently. Before marks are issued:

- any inconsistencies in marking of examinations and other assessments are investigated,
- failures are reviewed; and
- moderation processes are completed.

On successful completion of the Capstone Assessment, you will receive a completion letter that will be sent to you by post.

3.8 Consequences of failure

If you fail Migration Agents Capstone Assessment and you would like to undertake this Capstone Assessment again, you must:

- re-enrol in a next available intake;
- pay the appropriate re-sit fees, and
- undertake the entire assessment again (regardless whether you failed only a component of the assessment).

3.9 Special Consideration Applications

If you believe that your enrolment and/or performance in the Capstone Assessment is being, or has been significantly affected by illness, injury, misadventure or other circumstances outside of your control which have/had an impact on your enrolment and/or performance in this Capstone Assessment, your ability to submit assessments on time or participate in the assessments, you may be eligible for special consideration.

Please submit your application for special consideration to the Program Director setting out your circumstances and enclosing supporting documents including medical certificates as set out in paragraph 3.6. You must apply as soon as you become aware of the circumstances and their impact.

Special circumstances **do not include** employment workload, new employment, technology problems, travel plans or holidays.

The Program Director will consider your application and, if approved, advise of the proposed course of

action, which may include (but is not limited to) withdrawal without penalty, transfer to the next intake, re-submission of the assessment, or any other course of action as the Program Director thinks fit.

- resolution will be sought at the most appropriate level commensurate with the seriousness of the complaint

The College actively seeks comprehensive feedback on all aspects of its programs including assessments, materials and administration. Your participation in the evaluation process is encouraged and appreciated. Changes are regularly incorporated as a result of feedback from students and candidates.

In order to provide feedback you will be asked to complete a series of questionnaires at the end of the Capstone Assessment. You may also be approached for feedback by the College or market researchers on behalf of the College either during or after the Assessment. Your responses are confidential and will be used to develop and improve the Capstone Assessment.

If you have any comments, concerns or suggestions at any other time which you think would be helpful to us, please address them to the Program Director or our Client Services Team.
