The Contractual Relationship between the College and the Candidate

1. Policies and Procedures relating to Candidates

1.1 Enrolment in the written assessment component

- 1.1.1 Candidates must successfully complete the written assessment component before they can be enrolled to undertake the oral assessment component within the same intake.

- A passport-sized photo; and
 - A certified copy of the bio data page of your passport or Australian photo identification document in full colour.
- 1.1.6 Failure to meet the requirements of clauses 1.1.4 and 1.1.5 will, in addition to any other consequences relating to a candidate's non-compliance with College policies and procedures, prevent or delay enrolment.
- 1.1.7 You must complete and lodge an application for enrolment on or before the last day to enrol as specified, unless you have been granted permission by the College to submit a late application for enrolment. Your application must contain all the necessary documentation as outlined earlier.
- 1.1.8 Once your application is assessed and approved, you will be provided with payment details.

You must pay the entire enrolment fee once your application is confirmed. Your place in a given intake **will not** be guaranteed until the payment is received. Payment must be made on or before the last day to enrol in the written component of the assessment only.

- 1.1.9 You are deemed to be enrolled in the Capstone Assessment intake nominated on your current application for enrolment form, subject to any variations the College may later approve (e.g. transfer).
- 1.1.10 Before commencement of each intake, the College confirms candidate's eligibility to sit the Capstone Assessment with the Office of the Migration Agents Registration Authority (OMARA). Enrolment in the Capstone Assessment indicates your consent for the College to confirm your eligibility to enrol with the OMARA.

1.2 Enrolment in the oral assessment component

- 1.2.1 Candidates can proceed to enrol in the oral assessment component only after they have successfully completed the written assessment component in the same intake.
- 1.2.2 Once results for the written assessment are released, successful candidates will be directed to pay for the oral assessment component to finalise enrolment.

- 1.3.1 Candidates should choose their intake carefully and keep a note of the last day to withdraw from the assessment component of the intake without penalty.

After this date no transfers are possible except for special consideration circumstances.

1.3.7 No transfers are available for the oral assessment component.

Assessment Requirements, Assessment and Administration

2. Assessment requirements

2.1 Assessment structure

- 2.1.1 The Migration Agents Capstone Assessment consists of two compulsory components: written assessment component and oral assessment component, which must be completed within the same intake
- 2.1.2 Candidates must pass the written assessment component before they can enrol in the oral assessment component.
- 2.1.3 Both components must be successfully completed within the same intake.
- 2.1.4 To pass the Capstone Assessment, you must achieve the following:
- 65% or more in the written assessment component overall; and
 - 65% or more in the oral assessment component overall.
- 2.1.5 Detailed information regarding the dates and process of the assessment is available as part of the relevant intake guide and on the Learning Portal (once enrolled).

2.2 Extensions policy

- 2.2.1 No extensions are provided for completion of any part of the assessment (oral and written assessment components). In the event that a candidate submits their assessment after the due date/time (whether it is written assessment component or the file note of the oral assessment component), a mark of 0 will be given to the late submission. In the event of circumstances outside of a candidate's control, candidates are advised to apply for special consideration to the Program Director as outlined under paragraph 3.10 of this Manual.

2.3 Assumed knowledge

- 2.3.1 When a candidate enrolls in the Migration Agents Capstone Assessment, it is assumed that they possess a minimum level of skills and knowledge that is defined in the Occupational Competency Standards for Registered Migration Agents (published on the OMARA website). If you do not have these skills and/or knowledge, it is suggested that you defer completion of the Capstone Assessment until these skills and knowledge are achieved.
- 2.3.2 Furthermore, it is also assumed that candidates are competent in spoken and written English. Therefore, the College strongly advises any candidate to defer completion of the Capstone Assessment, if they do not have the following level of English:
- A minimum of overall test score of 7 in the International English Language Testing System (IELTS) in the Academic module, with a minimum score of 6.5 in each subtest (speaking, listening, reading, writing); or
 - A minimum overall test score of 94 in the Internet Based Test of English as a Foreign Language (TOEFL) (IBT), with a minimum score of:

- 20 in speaking;
- 20 in listening;
- 19 in reading;
- 24 in writing.

2.3.3 Candidates are advised to refer to the OMARA website for information regarding registration requirements.

3. Assessment policies and procedures

3.1 Identification at assessments

3.1.1 You must supply photo identification (i.e. passport photo page, driver's licence or proof of age card) at the time of your enrolment. At the beginning of the oral assessment component you will be asked to hold up your ID to the camera. The assessor will take a screenshot of your face and your ID that is visible and readable. This ID will then be cross-checked with the photo identification document(s) that you provided at the time of enrolment.

3.1.2 If you do not provide acceptable identification during your oral assessment, you will be excluded from this assessment component and awarded a mark of 0. In the event that the assessor is unable to verify your identity, the oral assessment cannot continue.

3.2 Compliance with ethical standards

3.2.1 Candidates should be aware that the College retains a discretion to fail a candidate where either responses to assessment questions and/or conduct during the assessment process demonstrates an unwillingness or inability to comply with ethical standards, including those specified in the Migration Agents Code of Conduct.

3.3 Moderation of the results

3.3.1 All assessment components of the Migration Agents Capstone Assessment will go through internal and external moderation processes prior to the results being released. In the event of a significant discrepancy in marks achieved in the written and oral assessment components, the assessor may contact these candidates to go through their submissions. By submitting work for the Capstone Assessment, you are warranting to the College that the work is your own. All sources and quotations should be properly acknowledged and referenced to avoid the implication that you may be presenting the work of others as your own. There are potentially very serious consequences for candidates found to have engaged in unsatisfactory academic conduct or academic misconduct, including exclusion from the Capstone Assessment and, in appropriate circumstances, reference to the OMARA.

3.4 Absence from an assessment

3.4.1 Absence from an assessment on the scheduled date attracts a mark of 0.

3.4.2 If through circumstances beyond your control you are unable to attend an assessment on the scheduled date you must:

- notify the Program Director in writing, on the date of your assessment, and
- submit a medical certificate and/or other relevant evidence. All documents submitted must be in English.

3.4.3 The Program Director may make any special arrangements as the Program Director thinks fit under special consideration policy outlined under paragraph 3.10 of this Manual.

3.5 Illness during an assessment

3.5.1 Your attempt of the written and/or oral assessment components on the scheduled dates constitutes a declaration that you are fit to do so. In the event that you are taken ill **during** the completion of the written assessment or the oral assessment components on the scheduled dates or were unable to make a reasonable judgment in relation to your fitness to sit the assessment at that time, you may be able to apply for special consideration. Your application will need to be received on the day of your assessment and it must be accompanied by a medical certificate and/or other relevant evidence.

3.5.2 The Program Director will not alter the result of the assessment but may permit you to attempt another equivalent assessment in a later intake on such conditions as the Program Director thinks fit.

3.6 Disability and disadvantage

3.6.1 If you require special assistance because you suffer from a disability or disadvantage (not including lack of skills in reading and/or writing English) which might cause you difficulties in assessments, you must apply in writing to the Program Director at least 14 days before the assessment. You should include a medical certificate and/or other relevant evidence in your application.

3.6.2 The Program Director may make such special arrangements, facilities available or allow additional time for the assessment as he/she thinks fit.

3.7 Medical certificates

3.7.1 All medical certificates must specify the severity and duration of the complaint and its effect on your ability to undertake the assessment. The College will not accept a receipt for medical or hospital fees instead of a medical certificate. Medical certificates submitted must be in English.

3.8 Assessed work and notification of results

3.8.1 Where possible you will be provided with constructive comments regarding your assessed work via the Learning Portal. Procedures are in place to ensure that marking is carried out fairly and consistently. Before marks are issued:

- any inconsistencies in marking of examinations and other assessments are investigated,

- failures are reviewed; and
- moderation processes are completed.

3.8.2 On successful completion of the Capstone Assessment in its entirety, you will be notified by email and a completion letter will be sent to you by post.

3.9 Consequences of failure

3.9.1 If you fail the Migration Agents Capstone Assessment and you would like to undertake this Capstone Assessment again, you must:

- re-enrol in another intake;
- pay the appropriate fees, and
- undertake the entire assessment again (regardless whether you failed only the written or the oral component of the assessment).

3.9.2 If you fail the Migration Agents Capstone Assessment three times, whether by failing the written assessment or the oral assessment, you must apply to the Program Director for permission to undertake the Capstone Assessment for a fourth and/or any subsequent times. Your application should include the following:

- any reasons for your previous performance in the Capstone Assessment;
- documentary evidence of any hardship (e.g. medical evidence), if applicable;
- any reasons why you believe that you will be able to successfully complete the Capstone Assessment should you be allowed to enrol.

3.10 Special Consideration Applications

3.10.1 If you believe that your enrolment and/or performance in any component of the Capstone Assessment is being, or has been significantly affected by illness, injury, misadventure or other circumstances outside of your control, which have/had an impact on your enrolment and/or performance in this Capstone Assessment, your ability to submit assessments on time or participate in the assessments, you may be eligible for special consideration.

3.10.2 Please submit your application for special consideration to the Program Director setting out your circumstances and enclosing supporting documents including medical certificates as set out in paragraph 3.7. You must apply as soon as you become aware of the circumstances and their impact.

3.10.3 Special circumstances **do not include** employment workload, new employment, technology problems, travel plans or holidays.

3.10.4 The Program Director will consider your application and, if approved, advise of the proposed course of action, which may include (but is not limited to) withdrawal without penalty, transfer to the next intake, re-submission of the assessment, or any other course of action as the Program Director thinks fit.

3.11 Recording of the oral assessment

- 3.11.1 All oral assessments will be recorded for the purposes of double-marking, moderation and for quality control. Candidates' participation in the oral assessment constitutes consent to the video recording.

3.12 Reporting of pass results to the Office of the Migration Agents Registration Authority

- 3.12.1 The College will provide the Office of the Migration Agents Registration Authority with a report of all candidates who successfully pass the Capstone Assessment. The report will include the following information: full name, university, qualification, the year of completion of the qualification and the date of successful completion of the Capstone Assessment. Enrolment and participation in the Migration Agents Capstone Assessment indicates candidates' consent for the College to provide the details mentioned earlier to the Office of the Migration Agents Registration Authority.

3.13 Transitional arrangements for Intakes 3 and 4 2019 – advanced standing

- 3.13.1 Candidates who have successfully completed the written assessment component in the past by achieving 65% in Part C of the written assessment as well as achieving 65% overall for the written assessment component but failed the oral assessment component will be eligible for advanced standing.
- 3.13.2 Advanced standing will be available in either Intake 3 2019 or Intake 4 2019. Candidates can apply for advanced standing only once.
- 3.13.3 No advanced standing will be available after Intake 4 2019.
- 3.13.4 In the event that a candidate receives advanced standing in their preferred intake (Intake 3 2019 or Intake 4 2019) and fails to successfully complete the oral assessment component within the same intake, the candidate will be required to successfully complete the written assessment component before they can again attempt the oral assessment component.
- 3.13.5 In the event that a candidate receives advanced standing in Intake 3 2019 and then applies to transfer or withdraw and later enrol in Intake 4 2019, advanced standing will be applicable. Please see the relevant Intake Guide regarding the last day to withdraw or transfer without penalty.
- 3.13.6 In the event that a candidate receives advanced standing in Intake 4 2019 and then applies to transfer or withdraw and later enrol in a later intake, no advanced standing will be available in that intake. This means that the candidate will be required to successfully pass the written assessment component before they can undertake the oral assessment component within the same intake.

Complaints and Disputes

5. Complaints and Disputes Policies and Procedures Relating to Candidates

5.1 Candidate complaints and disputes

5.1.1 Policy and guidelines

5.1.1.1 The College's complaints and disputes policy applies to all complaints, whether non-academic or academic, brought by candidates.

Policy

5.1.1.2 This policy applies to all candidates and irrespective of the location where the matter complained of has arisen or a candidate's place of residence.

5.1.1.3 For all complaints and disputes, non-academic and academic, the College will apply the following principles, which comprise its complaints and disputes policy:

- resolution will be sought at the most appropriate level commensurate with the seriousness of the complaint;
- the principles of natural justice will be observed;
- documentation will not be necessary at the initial stage, but will be required if a complaint is of a serious nature, or is not readily resolved;
- confidentiality will be preserved to the extent possible to achieve resolution of the complaint;
- the College will take steps to ensure that neither the complainant nor the respondent will be victimised or discriminated against;
- both the complainant and the respondent may be accompanied and assisted by a third party if desired;
- both the complainant and the respondent may request reasons for decisions to be in writing at any phase of the process;
- the College will ensure that all staff are aware of these principles and procedures;
- nothing in the policy and the guidelines, processes and procedures pursuant to the policy affects a candidate's rights to seek remedies at law where available.

Guidelines

5.1.1.4 For all complaints and disputes, non-academic and academic, the College will follow these guidelines in applying the complaints and disputes policy:

- where the complaint relates to a staff member, the College will not discuss it with that staff member nor reveal the candidate's identity without first advising the candidate;
- written material will be kept confidential and will not be shown to anyone who is not directly involved in handling the complaint. When the complaint is finalised, all written material will be placed on a confidential file (not the candidate's or staff member's personal file), and kept on file for a period of five years. During this time, the materials will be treated as confidential documents accessible only to interested parties. After five years, the file and materials will be destroyed;
- the assistance of the Student Liaison Officer will be sought, where appropriate, with the candidate's consent;
- where a complaint involves an allegation of serious misconduct by a staff member,

the Program Director will report the matter to the Principal, and will take no further action unless directed by the Principal;

- the College will not act if the complaint relates to circumstances outside:
 - the Capstone Assessment or terms of staff employment, and/or
 - the candidate's capacity as a candidate;
- meetings may be by tele or video conference where most convenient to all parties.

5.1.2 Student Liaison Officer

5.1.2.1 The name of the current Student Liaison Officer, who can give you guidance in the conduct of complaints and disputes, can be obtained from the relevant Program Director (the Student Liaison Officer is currently the Director, Academic Policy and Quality). If you have a grievance or complaint that cannot be resolved internally, the College will advise you of the appropriate body where you can seek further assistance.

5.1.3 Non-academic complaints and disputes procedure

5.1.3.1 If you have a complaint relating to:

- a system(s) issue; or
- any other matter which is not academic in nature

you may bring the complaint to the Program Director or his/her delegate for consideration in confidence by submitting a Disputes Form. You must lodge your dispute within 5 calendar days from the release of the final marks for the relevant assessment component in which you are enrolled.

5.1.3.2 After you have supplied to the Program Director or their delegate sufficient particulars of the complaint for it to be adequately considered, the Program Director or their delegate will conduct the necessary investigation and will make a determination in relation to your complaint. You will be notified of the determination and any remedial action (if applicable) within 14 calendar days from the lodgment of the complaint.

5.1.4 Academic complaints and disputes procedure

5.1.4.1 This clause does not apply to complaints and disputes concerning allegations of unsatisfactory academic conduct or academic misconduct against candidates, which are dealt with at 4.1.

5.1.4.2 If you are dissatisfied with the mark awarded in the written or the oral assessment component and you would like to appeal this mark, you must submit the Disputes Form requesting a re-mark of the relevant assessment component. You can request a re-mark if you received 55% or above in the failed assessment component.

5.1.4.3 The request for a re-mark attracts a \$500.00 re-mark fee per assessment component.

5.1.4.4 The request for a re-mark must be submitted within 5 calendar days from the release of the final marks. Further assessor feedback will not be provided in the event of a re-mark(s).

5.1.4.5 If the re-mark results in a different mark, the highest mark will prevail and will be deemed to be the final mark. Once the final mark is confirmed, no further appeals will be allowed.
