

## **APPENDIX 2 - Assessment Rules**

### **1. Application of these rules**

These rules apply to all students enrolled in a Program or a Subject.

### **2. Participation requirements to be eligible for assessment**

To be eligible for assessment in a Subject, you must attend and participate satisfactorily in all activities referred to in the timetable and coursework materials.

The College may take into consideration:

- Your undertaking activities, exercises and learning resources in a Subject;
- Whether in so doing your work was of a satisfactory standard;
- If it becomes necessary to determine whether you have participated in a Subject in order to be eligible for assessment.

### **3. Criteria for assessment**

3.1 The assessment requirements for each Subject are described in the relevant Subject information page.

3.2 To pass a Subject in a Program, you must satisfy the assessment requirements for that Subject by achieving a total mark equivalent to 50% or more of the assessment tasks in that Subject.

3.3 To pass a Postgraduate Program, you must pass all core Subjects and electives as required.

3.4 By submitting work for assessment you are warranting to the College that the work is your own. All sources and quotations should be properly acknowledged and referenced to avoid the implication that you may be presenting the work of others as your own. There are potentially very serious consequences for students found to have engaged in unsatisfactory academic conduct or academic misconduct, including exclusion from the Program and, in appropriate circumstances, reference to the admitting authority in the relevant jurisdiction (see **Academic Conduct Policy**).

### **4. Assessments in a Subject**

The College conducts assessments at the times shown in the timetable. (These are the assessment components referred to in these rules). The College may reschedule the assessments. If it does, the Program Director will nominate the times for the assessments.

## 5. Completion of coursework in a Subject - Postgraduate Program and/or Master of Legal Business Management Program

- 5.1 You must complete all coursework in a Subject within the time shown in the timetable. Compliance with the time limits is a criterion of assessment. Course work includes all skills assessments, assignments, activities, practical work, performance roles and other work. Compliance with the word limits is also a criterion of assessment. If you have gone higher than 10% over the limit, your rest of the work will be ignored and not taken into consideration during marking.
- 5.2 If you are unable to submit any coursework, you may request an extension from your lecturer/teaching fellow of up to 2 days. You must request the extension in writing and provide reasons. The lecturer/teaching fellow has absolute discretion whether to allow the extension.
- 5.3 If you require an extension of more than 2 days, you must apply in writing prior to the due date, to the Program Director, setting out your reasons with supporting documentation and the date by which you propose to submit the relevant course work. Approval is at the discretion of the Program Director. You can apply by emailing [postgrad@collaw.edu.au](mailto:postgrad@collaw.edu.au).
- 5.4 If you fail to obtain an extension prior to the timetabled due date for submission and the course work is an activity for feedback, it is at the lecturer's/teaching fellow' discretion whether or not they provide feedback and the timeframe in which it is provided, if at all.
- 5.5 If you do not obtain an extension prior to the timetabled due date for submission and the course work is an assessable activity, 5% of the available marks will be deducted each day that the work is late.
- 5.6 Employment workload, new employment, technology problems, travel plans or holidays will not be considered as grounds for extension requests.

## 6. Grading in Subjects

- 6.1 Your marks for the assessment components in each Subject are given the weighting set out in the course materials. Those marks are then added up to give a score out of 100.
- 6.2 The College then converts your score to a grade in accordance with the following table:

Grade	Mark	Criteria
High Distinction	85 – 100	Work of outstanding quality with full coverage of all content/performance requirements

Distinction	75 – 84	Work of superior quality with full coverage of all content/performance requirements
Credit	65 – 74	Work of sound quality with adequate coverage of all content/performance requirements
Pass	50 - 64	Work of satisfactory quality with adequate coverage of all content/performance requirements
Fail	0 - 49	Work of unsatisfactory quality and/or inadequate coverage of all content/performance requirements

## 6.2 Review of grading

Any student who is dissatisfied with a final grade awarded in a subject may apply in writing to the Program Director within 14 days of the publication of the result. The application must be accompanied by the non-refundable administrative charge, which is available on the College website under Fees.

The Program Director will advise the student of the outcome, including any alteration to the grade awarded, within 14 days of the application being received.

6.3 If you are dissatisfied with the determination of the Program Director you may appeal the decision to the Assessment Review Committee. Such appeal must be received in writing by the Manager Student Services within 7 days of the notification from the Program Director. If you want to make a submission based on illness or misadventure, your submission must include medical or other appropriate evidence.

6.4 You may appear personally before the Assessment Review Committee and make oral submissions, or make submissions in writing.

6.5 If the Assessment Review Committee decides that the grade does not reflect your performance in a Subject, it may determine an alternative grade or defer your final assessment in the Subject until you complete such further work and assessments as the Assessment Review Committee sees fit. You are only notified of your grades and not marks in Subjects.
