

External Appeals Panel

Function

Pursuant to the Assessment Rules in the Program Manual, a student may appeal (on procedural grounds only) to the External Appeals Panel from any decision of the Appeals Committee (AC).

The External Appeals Panel is required to report to the Academic Board via the Chief Academic Officer (CAO), and the Board of Governors on any activity, but in reality, the External Appeals Panel convenes very rarely.

Terms of Reference

The External Appeals Panel has exactly the same terms of reference as the Appeals Committee and proceeds in accordance with Rule 10 of the Assessment Rules in the Program Manual.

Membership

The External Appeals Committee is constituted by either or both of:

- Professor Gino Dal Pont (University of Tasmania)
- The Hon Keith Mason AC QC
- The Hon Peter Rose AM QC
