Details of the current Governors, their qualifications, skills and experience are contained on the corporate governance section of the Company's website. The Board considers the current Governors have an appropriate mix of skills to enable the Board to effectively discharge its responsibilities.

Whilst ultimate responsibility for the selection and appointment of Governors rests with the Board, the Board will establish a Nominations Advisory Committee¹, who will make recommendations to the Board with regard to the identification and selection of Governors. The specific powers and responsibilities of the Nominations Advisory Committee are contained in article 5.12 of the College's Constitution and the Nominations Advisory Committee Charter. In addition to the fixed Board meetings additional reserved dates will be set in June and September in the event the Board have additional business to consider. There will be an Annual Planning Conference each year between February and July. A schedule of the meeting dates for the following year will usually be approved in the second half of the year.

Alternatively, a Board meeting can be convened under the Constitution when a Governor so requests. In such situations, at least seven days' written notice of a meeting must be given unless it is an emergency meeting.

It is intended that at least three Board meetings will be physical face to face meetings, other meetings will be convened by teleconference or video conferencing link. Physical presence at non-designated face to face meetings is welcomed. Unless special circumstances prevail and written notification is provided to the Chair beforehand, all Governors are expected to attend physical face to face meetings.

Attendees will comprise all Board members including the Governors and the Company Secretary. In addition, senior managers scheduled to give presentations and other parties needing decisions to be taken by the Board will be invited for the whole or any relevant part of the meeting. Similarly, the Chair or a majority of Governors may request the attendance at any meeting of the Board any person who, in their opinion, may be able to assist the Board in any matter under consideration.

7.4 Quorum

Three Governors will constitute a quorum at a meeting of Governors, unless the Governors at any time determine that a greater number of Governors must be present to constitute a quorum.⁴

7.5 Conduct of Meetings

The Chair will determine the degree of formality required at each meeting while maintaining the decorum of such meetings. As such, the Chair will:

- a) Enquire of Governors at the commencement of each meeting whether they have any interest that needs to be declared;
- b) ensure that all Governors are heard;
- c) retain sufficient control to ensure that the authority of the Chair is recognised. This may require a degree of formality to be reintroduced when it is required to make progress;
- d) take care that the decisions are properly understood and well recorded; and
- e) ensure that the decisions and debate are completed with a formal resolution recording the conclusions reached.

In the case of an equality of votes, the Chair has a casting vote in addition to a deliberative vote⁵.

⁴ Article 8.7(g) of the Company's Constitution

8. BOARD AGENDA AND PAPERS

8.1 Agenda Format

An agenda will be prepared for each Board and Committee meeting. The Board meeting agenda will be established through the agency of executive staff, guided by the Board of Governors, including meeting administration matters, items of special business, business reports, general business and any other such items as deemed necessary for the Board.

8.2 Starring of Agenda Items

Features of standing agenda items at a meeting are expected to include:

a) **Procedure**

The Company's usual procedure at meetings is to debate or discuss only those items which are specially starred (*) for discussion.

Each paper with the Agenda must commence with a set of draft resolutions. If the item is not starred for discussion, the draft resolution will be deemed to be adopted.

Disclosure of Governors' Interests along with the CEO/Principal's Report will be permanently starred items for discussion at each Board meeting along with a number of items of special business.

Governors are able to star items for discussion by email or telephone to the CEO/Principal or the Company Secretary preferably by the day prior to the meeting, or at the beginning of the meeting by special leave of the Chair.

b) **Resolution on Unstarred Items**

This item involves a motion from the Chair adopting draft resolutions for all unstarred items.

A list of resolutions on unstarred items shall be kept and updated by the Company Secretary and tabled in the Board Meeting in support of this motion.

8.3 Board Papers

The CEO/Principal and the Company Secretary are responsible for the preparation and circulation of Board Papers.

All Board Papers must be circulated to Governors to arrive a minimum of six days before the Board meeting. In addition, Board Papers will be circulated to Governors by electronic means.

No papers requiring consideration or decision can be tabled at the Board meeting, except with the approval of the Chair or the CEO/Principal or by resolution of the Board. Papers including presentations to be tabled at the Board meeting need to be brought to the attention of the Company Secretary at least one day prior to the Board meeting.

Papers should clearly identify by reference to a draft resolution whether they are Information Papers or Decision Papers. Therefore, Decision Papers should commence with the recommended resolution.

Lengthy submissions and reports shall contain a brief 1-2 page executive summary.

9 BOARD MINUTES

9.1 In General

Minutes of the previous meeting, together with minutes of any committee meeting requiring report to the Board, will be included in final draft form with the Board papers for noting and adoption.

9.2 Matters to Be Recorded

Minutes will contain a brief reference to relevant Board Papers tabled plus the official resolution adopted by the Governors.

All decisions will be recorded in the minutes by means of a formal resolution.

The Chair will read the precise resolution before the Board and ask for all in favour and those against. If a Governor does not voice dissent, it is taken that she or he is in favour of the resolution. The exact wording will be recorded in the minutes and whether the resolution was carried or defeated, but will not contain the number of votes.

Governors who dissent can ask to have their decision noted in the minutes.

Where the draft resolution as recommended in the Board Papers is not adopted then a summary of the reasons for the alternative course of action is noted in the minutes.

Similarly, other significant points raised by Governors but not covered in the papers are to be noted.

9.3 Adoption of Minutes

Minutes will be prepared in draft form by the Company Secretary and provided to the Chair within the week following the meeting. Once the draft minutes have been approved by the Chair, the Company Secretary will circulate the draft minutes to all Governors for their review and comment.

At the CEO/Principal's discretion, an extract or elaboration of the minutes may be circulated for the purposes of communicating decisions within the organisation.

Once the minutes have been adopted by the Board they cannot be amended. Once adopted, the Minutes will be signed by the Chair and retained in the Official Minute Book.

9.4 Records Maintenance

The Company Secretary will maintain a complete set of Board Papers at the Company's head office. These papers are maintained both for the Company as a whole and the Governors individually.

In addition all Official Minute Books and Statutory Registers as required by the *Corporations Act 2001* will be maintained at the Company's head office.

Decisions of a policy nature will also be recorded as a policy to be contained in the Company's Policy Manual. This is the responsibility of the CEO/Principal.

It is recommended that each Governor also maintain a complete set of Board Papers.

If Governors have not maintained a complete set of Board papers, Governors are entitled to access the papers for the period when they were a Governor on request, even if they have ceased to be Governors, and this policy has been adopted as a formal Board resolution.

All documentation containing or seeking legal advice will clearly state that the legal advice is intended to be available to and for the benefit of both the Company and to the Governors in their personal capacities.

11.4 Insurance

The Company will provide each Governor with a copy of the D&O policy and any changes to that policy if the Governor so requires.

The Company will maintain each Governor's D&O insurance for seven years from the date at which they ceased to be a Governor.

12 BOARD EVALUATION

At least every three years the Chair will consider whether the Board will conduct an evaluation of its performance. The objective of this evaluation is to provide best practice corporate governance to the Company. Such a review can be:

- a) qualitative, quantitative or a mixture of both;
- b) formal or informal;
- c) concentrated on reviewing the Board as a whole or Governors individually;

Governor's fees are to come from a Governor's remuneration pool as approved by Members of the Company in general meeting. The remuneration pool is inclusive of all Governor remuneration including Committee Chair and Committee member fees. The specific allocation of fees to individual roles and persons will be in line with the Company's Remuneration Philosophy. Fees will be reviewed annually however it is not necessarily the case that fees will change annually.

Specifically, where skills gaps are identified, Governors will be provided with resources and training to address them.

The budget for Governor development activities is included in the Company's staff development budget. Governors who wish to undertake a development activity at Company expense should approach the Chair.

16.2 Advice and Contacts

a) **The Advisory Role**

It is recognized that a key component of the duties of a Governor is the provision of a sounding board for CEO/Principal's ideas and challenges.

In recognition that the CEO/Principal-board relationship is critical to effective corporate governance, Governors of the Company should provide frank and honest advice to the CEO/Principal.

Similarly, all advice should be constructive in nature and provided in a positive manner.

Where appropriate, Governors should recommend possible alternative advisors if they do not feel adequately trained to assist.

b) **Contacts**

Governors of the Company are also expected, where appropriate, to employ business contacts in furthering the interests of the Company.

Similarly, Governors are expected to actively promote the organisation in external interactions.

16.3 Governor's Code of Conduct

In accordance with legal requirements and agreed ethical standards, Governors, without detracting from or limiting the legal duties and obligations of Governors, will:

- a) owe a fiduciary duty to the Company as a whole;
- b) use the powers of the office for a proper purpose;

16.4 Expectations of Governors in Board Process

A Governor shall, in good faith, behave in a manner that is consistent with generally accepted procedures for the conduct of meetings at all meetings of the Board.

Governors are expected to be forthright in Board meetings and have a duty to question, request information, raise any issue, fully canvass all aspects of any issue confronting the Company and cast their vote of any resolution according to their own decision.

However, outside the Boardroom, Governors will support the letter and spirit of Board decisions in discussions with joint venture partners, suppliers, customers, staff and other parties.

Governors will keep confidential Board discussions and deliberations. Similarly, all confidential information received by a Governor in the course of the exercise of the Governor's duties remains the property of the Company. - b) At the request of the Board, within seven days or such further period as may be allowed, take such steps as are necessary and reasonable to remove any conflict of interest referred to above.

If a Governor cannot or is unwilling to remove a conflict of interest as required, then the Governor must absent herself or himself from the room when discussing matters about which the conflict relates. This entry and exit should be minuted.

However, during a Board Meeting if the Board decide unanimously after discussions (without the conflicted Governor present) the nature and extent of the Governor's interest should not disqualify the Governor, then that Governor can take part in discussions and voting involving the conflicting interests. This decision of the Board should be minuted.

Governors will indicate to the Chair any potential conflict of interest situation as soon as it arises⁷ and in accordance with the *Corporations Act 2001*⁸.

The same requirement will exist for related party transactions. Related party transactions are those as detailed in the *Corporations Act 2001*⁹ and must be reported to the Chair in writing and notified at each Board meeting.

These requirements will also apply to all senior officers of the Company.

The Company Secretary will maintain a Register of Related Party Transactions, and a Register of Governor's Interests.

16.6 Emergency Contact Procedures

21 GOVERNORS' AUTHORITIES AND DELEGATIONS

Governors are responsible for any delegations of their responsibilities with regard to corporate operations. As such, they decide as a Board what Company matters are delegated to either specific Governors or to management. In addition, they outline what controls are in place to oversee the operation of these delegated powers.

As a consequence, individual Governors have no individual authority to participate in the day-to-day management of the Company. The exception to this principle occurs where the Board through resolution explicitly delegates an authority to a Governor individually. Additionally, it is recognised that all executive Governors will carry significant delegated authority by virtue of their management position as outlined in a relevant Board resolution.

As such delegations are implemented by executing a relevant instrument of delegation. Full documentation of all instruments of delegation will be maintained by the Company Secretary.

Similarly, committees and their members require specific delegations from the Board as a whole and these will be contained in each committee's respective Charters.

21.2 Decision Making Process

The decision making process and delegations of a Board are fundamental to the corporate governance process.

21.3 General Delegations

Delegations and authorities are contained within the Company's official Minute Books.

In general, the Board delegates all powers and authorities required to effectively and efficiently carry out the Company's business. Listed below are the exceptions to these delegations, whereby the Board or appropriate committee reserves the powers as indicated.
